

Receive Medical, Dental and Other Benefits Through Underwriters Alliance Inc.!

The **REALTORS® Association of Hamilton-Burlington (RAHB)** has partnered with **Underwriters Alliance Inc.** to allow you to purchase optional medical, dental and other benefits in a program designed for maximum flexibility for you!

This program offers medical and dental coverage, as well as *voluntary* life, accidental death & dismemberment (AD&D), and accident and serious illness insurances.

RAHB members can take advantage of a core medical/dental benefit package that includes coverage for:

- Prescription drugs
- Accidental dental
- Semi-private hospital
- Private duty nursing
- Travel protection

This core program also includes “flex funds” you can use toward vision, paramedical and/or additional dental coverage.

If the core package doesn't suit you, Underwriters Alliance also offers a more flexible plan where you decide how much coverage you want and they build a program to suit you. You can also make contributions to a personal spending account, with contributions applied to eligible medical expenses – this option can even save you tax dollars!

All plans are priced for individual, couple and family coverage.

Rates for core medical/dental package start at **\$115 per month** for individual coverage.

Voluntary life, accidental death and dismemberment, and serious illness benefits are also available to add to your medical/dental coverage.

Visit <http://underwritersalliance.info> for additional information or to sign up!

For further information, please contact **Underwriters Alliance** at **1.877.472.2205**. Have your **RAHB member ID number** ready – this will be your identification as a RAHB member.
